Important Questions	Answers	Why This Matters:
What is the overall deductible?	For network providers & out-of-network providers Individual: $300; Individual + 1: $600 or $900 individual + 2 or more	Generally, you must pay all of the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the policy, the overall family **deductible** must be met before the **plan** begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive Care and Wellness are covered before you meet your deductible.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered **preventive services** at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services, but see the Common Medical Events chart for other costs for services this **plan** covers.
What is the out-of-pocket limit for this plan?	For network providers Individual + 1 (Medicare paying primary for 1): $1,600; individual + 2 or more (Medicare paying primary for 1): $2,900; or $900 individual + 2 or more (Medicare paying primary for 2); for out-of-network providers Individual + 1 (Medicare paying primary for 1): $7,600; or $10,900 individual + 2 or more (Medicare paying primary for 1) and individual + 2 or more (Medicare paying primary for 2)	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, the overall family **out-of-pocket limit** must be met.
What is not included in the out-of-pocket limit?	Premiums, Balance Billing Charges, and Health Care this	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.

	plan doesn't cover.	
Will you pay less if you use a network provider?	Yes. See www.bcbsla.com/ogb or call **1-800-392-4089** for a list of **network providers**.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the **plan's network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the **provider's** charge and what your **plan** pays (**balance billing**). Be aware, your **network provider** might use an **out-of-network provider** for some services (such as lab work).Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No.	You can see the **specialist** you choose without a **referral**.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
