Your Prescription Drug Coverage

Formulary: 4-Tier Plan Design

OGB uses a formulary to help members select the most appropriate, lowest-cost medication options. The formulary is reviewed regularly to reassess drug tiers based on the current prescription drug market. You will continue to pay a portion of the cost of your prescriptions in the form of a fixed amount (copayment) or a percentage of the cost (coinsurance). The amount you pay toward your prescription depends on whether you choose a generic, specialty, preferred brand or non-preferred brand-name drug.

Tier	Your Responsibility
Generic	50% coinsurance up to \$30
Preferred Brand	50% coinsurance up to \$55
Non-Preferred Brand	65% coinsurance up to \$80
Specialty	50% coinsurance up to \$80
Once you and/or your covered dependent(s) pay \$1,500 out-of-pocket, you'll pay the following copayments:	
Generic	\$ 0 copayment
Preferred Brand	\$20 copayment
Non-Preferred Brand	\$40 copayment
Specialty	\$40 copayment

More than one drug may be available to treat your condition. We encourage you to talk with your doctor regularly about which drugs meet your needs at the lowest cost to you.

90-Day Fill Option

For maintenance medications, 90-day prescriptions may be filled for the applicable coinsurance amount, with a maximum that is two and a half times the maximum copayment.

What is a Health Reimbursement Arrangement (HRA)?

The Pelican HRA1000 is a consumer-driven health plan with a Health Reimbursement Arrangement (HRA). This plan has low premiums and an employer-funded HRA, which reimburses you for qualified medical expenses.

With the Pelican HRA1000, your employer contributes \$1,000 annually for employee-only plans and \$2,000 annually for family plans. The HRA pays for 100% of covered medical expenses from any healthcare provider until the fund is used up. The HRA also counts toward your total deductible for the year. HRA funds you do not spend will roll over each year up to the in-network out-of-pocket maximum as long as you remain enrolled in the Pelican HRA1000 Plan.

HRA vs. HSA (Health Savings Account): What's the difference?

	Health Reimbursement Arrangement (HRA)	Health Savings Account (HSA)
Funding	<ul style="list-style-type: none"> • Employer funds HRA. Only employers may contribute. • Funds stay with the employer if employee leaves an OGB-participating employer. • Contributions are not taxable. 	<ul style="list-style-type: none"> • Both employer and employee may fund HSA. • Funds go with the employee if he/she leaves an OGB-participating employer. • Contributions are made on a pre-tax basis.

What Is a Health Savings Account (HSA)?

A Health Savings Account (HSA) is a savings account you can use with Pelican HSA775, a consumer-driven health plan. The HSA allows you to save money tax-free for medical and pharmacy expenses. It can help you meet your deductible, pay any applicable copayments and help you save for future healthcare expenses.

If you choose the HSA option, the state will contribute \$200 at the start of the plan year to help jump-start your savings. The state will then match the tax-free contributions you make through payroll deductions up to an additional \$575 per plan year. The state may contribute a total of \$775 per plan year, but you can contribute beyond that; for the 2024 calendar year, the U.S. Internal Revenue Service (IRS) allows total tax-free HSA contributions up to \$4,300* for employee only coverage and \$8,550 for family coverage—plus an additional \$1,000 if you are age 55 or older.

Because you own the HSA, you decide when and how to spend the money. You can use the tax-free dollars in your HSA to pay eligible medical and pharmacy expenses now, or you can pay these expenses out-of-pocket and let your HSA grow. Your money can remain in your HSA and earn tax-free interest from year to year.

If you wish to apply for an HSA, you should enroll through the online annual enrollment portal or through your human resources office. You SHOULD NOT submit applications directly to Health Equity.**

If you change health plans or jobs, or if you retire, the HSA is yours to keep. From age 65 on, you can use your HSA dollars for any healthcare or non-healthcare expense with no penalty, although any amount used for non-healthcare expenses will be taxable as income.

**These amounts were announced by the IRS for 2025. They may change annually and are subject to additional IRS rules. Check with your tax advisor. Information can also be found at www.irs.gov.*

***Health Equity, which owns MySmart\$aver, is an independent company that provides HSA options to customers of Blue Cross and Blue Shield of Louisiana and HMO Louisiana, Inc.*

Your Prescription Drug Coverage

Formulary: 4-Tier Plan Design

OGB uses a formulary to help members select the most appropriate, lowest-cost medication options. The formulary is reviewed regularly to reassess drug tiers based on the current prescription drug market. You will continue to pay a portion of the cost of your prescriptions in the form of a fixed amount (copayment) or a percentage of the cost (coinsurance). The amount you pay toward your prescription depends on whether you choose a generic, specialty, preferred brand or non-preferred brand-name drug.

Tier	Your Responsibility
Generic	50% coinsurance up to \$30
Preferred Brand	50% coinsurance up to \$55
Non-Preferred Brand	65% coinsurance up to \$80
Specialty	50% coinsurance up to \$80
Once you and/or your covered dependent(s) pay \$1,500 out-of-pocket, you'll pay the following copayments:	
Generic	\$ 0 copayment
Preferred Brand	\$20 copayment
Non-Preferred Brand	\$40 copayment
Specialty	\$40 copayment

More than one drug may be available to treat your condition. We encourage you to talk with your doctor regularly about which drugs meet your needs at the lowest cost to you.

90-Day Fill Option

For maintenance medications, 90-day prescriptions may be filled for the applicable coinsurance amount with a maximum that is two and a half times the maximum copayment.

Your Prescription Drug Coverage

Formulary: 4-Tier Plan Design

OGB uses a formulary to help members select the most appropriate, lowest-cost medication options. The formulary is reviewed regularly to reassess drug tiers based on the current prescription drug market. You will continue to pay a portion of the cost of your prescriptions in the form of a fixed amount (copayment) or a percentage of the cost (coinsurance). The amount you pay toward your prescription depends on whether you receive a generic, specialty, preferred brand or non-preferred brand-name drug.

Tier	Your Responsibility
Generic	50% coinsurance up to \$30
Preferred Brand	50% coinsurance up to \$55
Non-Preferred Brand	65% coinsurance up to \$80
Specialty	50% coinsurance up to \$80
Once you and/or your covered dependent(s) pay \$1,500 out-of-pocket, you'll pay the following copayments:	
Generic	\$ 0 copayment
Preferred Brand	\$20 copayment
Non-Preferred Brand	\$40 copayment
Specialty	\$40 copayment

More than one drug may be available to treat your condition. We encourage you to talk with your doctor regularly about which drugs meet your needs at the lowest cost to you.

90-Day Fill Option

For maintenance medications, 90-day prescriptions may be filled for the applicable coinsurance amount with a maximum that is two and a half times the maximum copayment.

Receive Care in the Best Setting

General and Specialist Care

If you need routine care, call your doctor and plan an office visit.

Telehealth Services

Visit a doctor online from work, home or out of town, without an appointment, with BlueCare. Go to www.lablue.com/bluecare to learn more. Members can also ask their regular health care providers if they offer telehealth services.

Urgent Care

If you cannot reach your doctor, urgent care or after-hours clinics are great alternatives to the emergency room when you do not have a true emergency.

Emergency Care

Call 911 or go to the nearest emergency room. An emergency, as defined by state law, is a medical condition of recent onset and severity (including severe pain) that would lead a prudent layperson, acting reasonably and possessing an average knowledge of health and medicine, to believe that the absence of immediate medical attention could reasonably be expected to result in:

1. Placing the health of the individual, or with respect to a pregnant woman the health of the woman and her unborn child, in serious jeopardy;
2. Serious impairment to bodily function;
3. Serious dysfunction of any bodily organ or part.

Dental Solutions through Blue365

OGB members can get up to 50% off on a network of more than 70,000 dentists for just \$6 a month. Members can use the program as often as needed, without limits on the number of visits to a participating dentist. There is no waiting and no red tape to join. Balance Billing Disclosure

Blue Cross and Blue Shield of Louisiana is required by law to send the notice below to all members when they enroll and once each year they are a member. The notice is provided as a reminder to make sure you choose a doctor or hospital in your provider network when you need healthcare. By choosing a network provider, you avoid the possibility that your provider will bill you for amounts in addition to applicable copayments, coinsurance, deductibles and non-covered services (this is known as “balance billing”).

Balance Billing Disclosure Notice:

Health care services may be provided to you at a network health care facility by facility-based physicians who are not in your health plan. You may be responsible for payment of all or part of the fees for those out-of-network services, in addition to applicable amounts due for copayments, coinsurance, deductibles and noncovered services.

Specific information about network and non-network facility-based physicians can be found at www.lablue.com or by calling the customer service telephone number of your health plan: 1-800-392-4089.

Notice: your share of the payment for health care services may be based on the agreement between your health plan and your provider. Under certain circumstances, this agreement may allow your provider to bill you for amounts up to the provider’s regular billed charges
