

GeoBlue

PREPARE TO TRAVEL THE WORLD

Not all medical insurance covers you when you leave the United States. If you're traveling or living abroad, you'll want to make sure you have access to the same quality care you're used to, from a partner that can ensure you get the treatment you need when you need it. Part of the Blue Cross® Blue Shield® family, GeoBlue® offers a variety of international health plans when you go on vacation or live and work abroad. With GeoBlue, you can travel the world with confidence and with protection from a name you trust.

WHY CHOOSE GEOBLUE?

Network Providers

- Are thoroughly reviewed and approved
- Are trained in Western-style medicine
- Speak fluent English

Mobile and Online Services

- Locate local providers, hospitals and other providers with detailed profiles
- Display ID card and email/fax to providers as necessary
- Receive alerts detailing the latest security and health issues in a specific destination

Medical Assistance and Customer Service

- Support from global health experts 24/7/365
- Global TeleMD™ telemedicine services so you can speak with a doctor by phone or video anywhere in the world

Direct Pay*

- GeoBlue can pay the provider directly so you don't have to pay out of pocket and submit a claim (in most cases).

Telemedicine services are provided by Teladoc Health directly to members. GeoBlue assumes no liability and accepts no responsibility for information provided by Teladoc Health and the performance of the services by Teladoc Health. Support and information provided through this service does not confirm that any related treatment or additional support is covered under a member's health plan. This service is not intended to be used for emergency or urgent treatment medical questions.

*Sign up available via app, web, email or phone. For nonemergency care outside the United States, it is recommended to request Direct Pay at least 48 hours prior to a scheduled appointment.

LOUISIANA
